

RESOLUTION NO. 17 78-08

REGARDING THE POLK COUNTY ROADWAY SIGNING PROGRAM

1. The Town of Milltown wishes to take part in the County Roadway Signing Program.

WHEREAS, the Polk County Roadway Signing Program will use 1977 and 1978 Department of Transportation Off-System funds which will fund 70% of the project's total cost, and

WHEREAS, a uniform installation procedure for intersection location and height is needed, and

WHEREAS, each township has a certain number of intersections which are on the border of one or more townships and will thus be sharing the sign, and

WHEREAS, the 70% of the Off-System monies towards the total signing project cost is intended gratuitously,

NOW THEREFORE BE IT RESOLVED, that the town agrees to allocate 30% of the total expenses for purchase and installation of the roadway signs on the Off-System roads within the township, and agrees to allow sign installation according to uniform standards of location and height, and agrees to share equally in the costs of roadway signs that are shared with bordering townships, and furthermore upon completion of the sign installation, will assume full sign maintenance responsibilities.

Adopted by Milltown Township Board
