by the applicant, its successors and assigns.

Dated this 10th day of Feb, 1978.

NORTHWESTERN WISCONSIN ELECTRIC COMPANY

By Fred E. Dahlberg

WHEREAS, Northwestern Wisconsin Electric Company has made application to the Town Board of the Township of Milltown for its consent to the construction, maintenance and operation, within the limits of the streets, alleys, highways, bridges and public places of the Township of Milltown, by Northwestern Wisconsin Electric Company, its successors and assigns, of electric lines and facilities for the purpose of transmitting and distributing electric energy; and

WHEREAS, authorization, approval and consent of the Town Board is required under Section 86.16, Wisconsin Statutes,

NOW, THEREFORE, the Town Board of the Township of Milltown, Polk County, Wisconsin, hereby resolves as follows:

That Northwestern Wisconsin Electric Company, its successors and assigns, is hereby authorized, pursuant to Section 86.16, Wisconsin Statutes, to transmit and distribute electric energy in the Township of Milltown, Polk County, Wisconsin, and is granted a franchise for that purpose.

That written consent is hereby given, pursuant to Section 86.16, Wisconsin Statutes, for Northwestern Wisconsin Electric Company, its successors and assigns, to install, erect, maintain and operate in, upon, along and across the highways, streets, alleys, bridges and other public grounds and places in the Township of Milltown, all poles, towers, wires, fixtures and appliances necessary or convenient in the construction, maintenance and operation of electric lines and facilities by Northwestern Wisconsin Electric Company for the transmission and distribution of electric energy.

IN WITNESS WHEREOF, the undersigned has adopted this resolution as of this 10th day of Feb., 1979.
